

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Environmental Barriers Act is amended by
5 changing Sections 2, 3, 4, 5, 6, and 8 as follows:

6 (410 ILCS 25/2) (from Ch. 111 1/2, par. 3712)

7 Sec. 2. Statement of Findings and Purpose. The General
8 Assembly finds that:

9 (a) Public facilities and multi-story housing ~~units~~ which
10 contain environmental barriers create a serious threat to the
11 safety and welfare of all members of society ~~both in normal~~
12 ~~conditions and in the event of fire, panic and other emergency.~~

13 (b) Individuals with disabilities ~~Environmentally limited~~
14 ~~persons~~ are often denied access to and use of public facilities
15 and multi-story housing ~~units~~ due to environmental barriers
16 which prevent them from exercising many of their rights and
17 privileges as citizens.

18 (c) The integration of individuals with disabilities
19 ~~environmentally limited persons~~ into the mainstream of society
20 furthers the goals and policies of this State to assure the
21 right of all persons to live and work as independently as
22 possible and to participate in the life of the community as
23 fully as possible.

1 Therefore, eliminating environmental barriers is an object
2 of serious public concern. This Act shall be liberally
3 construed toward that end.

22 entrance route to the altered area and the rest rooms,
23 telephones, and drinking fountains serving the altered
24 area, are readily accessible to and usable by individuals
25 with disabilities, unless the cost of the alterations to
26 provide an accessible path of travel to the primary

1 function area exceeds 20% of the cost of the overall
2 alteration, or such alterations are otherwise
